

BSc Environmental Science (Honours): with Specialisation

Three-Year Degree Programme

Year 1 Courses

SENV1101E Earth & Atmospheric Science**

SENV1102E Biological Principles & Interactions in Tropical Ecology**

SENV1103E Introduction to Global Environmental Change*

SENV1104E Concepts in Sustainable Development*

SENV1105E Introduction to Statistics*

SENV1106E Research Methods & Skills in Environmental Science*

Full course/Year course **
Half course/Semester course*

Year 2 Courses

SENV1201E Earth System Science**

SENV1202E Introduction to Geo-Informatics & Field-studies in Environmental Science**

SENV1203E Introduction to Natural Resource Economics*

SENV1204E Environmental Law & MEAs*

SENV1205E Managing Environmental Change in Small States*

SENV1206E Human Geography of Small States*

Year 3 Specialisation Title

Specialisation on offer in Year 3 at the discretion of the university

Marine & Fisheries Science

Climate Change Resilience

Integrated Coastal Management

Tropical Biodiversity Conservation

Education for Sustainability

Year 3 Specialisation Courses

SENV1301E Independent Research Project **
SENV1302E Governance and Stakeholder Engagement**
SENV1303E Coastal and Marine Ecology*
SENV1306E Aquaculture *
SENV1307E Fisheries Science *
SENV1308E Oceanography *

SENV1301E Independent Research Project **
SENV1302E Governance and Stakeholder Engagement **
SENV1304E Coastal System Dynamics *
SENV1305E Ecosystem Based Management*
SENV1309E Climate Change Adaptation*
SENV1310E Climate Change Mitigation*

SENV1301E Independent Research Project **
SENV1302E Governance and Stakeholder Engagement **
SENV1303E Coastal and Marine Ecology*
SENV1304E Coastal System Dynamics *
SENV1305E Ecosystem Based Management*
SENV1311E Integrated Environmental Management*

SENV1301E Independent Research Project **
SENV1302E Governance and Stakeholder Engagement **
SENV1305E Ecosystem Based Management*
SENV1312E Biogeography & Biodiversity *
SENV1313E Conservation Biology*
SENV1314E Ecology *

SENV1301E Independent Research Project **
SENV1302E Governance and Stakeholder Engagement **
SENV1315E Environmental Communication and Advocacy*
SENV1316E Environmental Education for Sustainability *
SENV1317E Environment Psychology and Social Marketing *
SENV1318E Nature Interpretation *
