COMMUNIQUE

25th March 2020

To our international students' community

Dear Students

We UniSey Management, feel you would have probably felt better being home with, or, around close family members during such a challenging moment. However, we also understand that it may be more convenient for you to stay over in Seychelles as we are not yet severely affected by the Corona virus. We trust that you have had the chance to contact home and your family and friends over there are safe. We hope all will continue to be well for them.

Please keep listening to advice from the local Health Authority and refer to our website for all relevant updates. The Student Support Services may be contacted via mail on Melina.Josephine@unisey.ac.sc should you wish to have someone to talk to about personal issues or any other matter related to your stay or studies here.

For updates during this COVID-19 closure period, please consult our website at <https://unisey.ac.sc/>

Keep well and stay safe!

UniSey Management
