Knowledge hub of the Indian Ocean

20th March 2020

Dear Students

We believe that you are taking all measures to stay safe and protected against the COVID-19 virus, whilst at the same time, maintaining a good study regime. UniSey is doing its utmost to ensure that you progress with your studies. Staff members are going the extra mile to ensure that you are virtually supported as much as possible. Regretfully, the University will remain closed for an additional week. We will review the situation on 27th March 2020.

Please stay in contact with your lecturers through WhatsApp and UniSey email. We would also like to know how you are getting on. Should you wish to discuss individual issues, please send an email to Miss Melina, the Student Support Services Manager, on Melina.Josephine@unisey.ac.sc

We are going through this challenging moment together so we need to support each other.

Bon courage and please stay safe and follow the advice of the health authorities!
